Creative Solutions for a
Gift Annuity

Take care of your family
and leave a legacy

Many people would like to make larger and immediate gifts to the ministries of Family Life Communications Incorporated, but concerns about family security and the need for a current income source often complicate decisions about giving. A charitable gift annuity is a popular and unique way to make a gift to our ministry during your lifetime, instead of at your death, provide yourself a guaranteed income for the future, and favorably affect your tax bill.

What is a Gift Annuity?

A gift annuity is a financial agreement where you exchange a gift of cash, stocks or bonds for a guaranteed, fixed income each year for the rest of your life. You select the frequency of the payments to meet your needs when you make your gift.

A gift annuity may be created for the benefit of one or two lives. Payments may begin immediately or may be deferred until a later date.

Your gift annuity meets your financial planning needs and gives you the personal satisfaction from making a gift of lasting significance.

A Lifetime of Income

A gift annuity allows you to provide additional retirement income. Payments are made to you monthly, quarterly, semi-annually, or annually – however you choose. You can't outlive your payments – and you know exactly how much you can count on from your annuity.

A Gift Annuity Gives You Tax Savings

Did you know a gift annuity can provide the following tax savings?

- **Immediate income tax deduction** – A large part of what you transfer to fund the annuity is a charitable gift and deductible on this year’s tax return (and up to five additional years) if you itemize.
- **Ongoing tax-free income** – A portion of your annuity income is also tax-free.
- **Capital Gains tax savings** – When you fund your annuity with stocks, bonds or mutual funds, you avoid a large portion of the capital gains taxes otherwise due if you had sold them and reinvested the proceeds.
- **Probate and Estate Tax** – Your assets placed in the annuity are not subject to probate nor are they counted as part of your taxable estate.

Safety

A gift annuity is one of the safest plans you can have. Our annuity program is backed by a reserve fund and all of the assets of Family Life Communications Incorporated.

You’ll Receive Excellent Payment Options

Select the plan that works best for your situation or financial plan.

For You

Single Life Annuity: Pays a fixed income to you for life.

For You and a Loved One

Two-Life Annuity: Pays income to you and a surviving loved one. Your survivor will continue to receive the same amount each year as you did.

For Your Future

Deferred Gift Annuity: By delaying payments until a later age, such as your retirement, the payment rates are usually much higher, and the initial income tax savings makes the return on your gift even greater.

Extend Your Influence to Future Generations

When you enter into a gift annuity agreement, you enable Family Life Communications Incorporated to continue reaching the world with the Gospel after you go to be with the Lord. Upon your death, the balance of your annuity held in our reserve account is then available for the ministries of Family Life Communications Incorporated.
